Summary of steps – HE

Please note that it can take up to **four weeks** to receive a CoS number from the date that the British Council receive all complete and correct documentation. Incomplete or incorrect documentation may cause delays in issuing a CoS.

The British Council requires all incoming higher education (HE) applicants to go through their home university Erasmus+ coordinator to get their CoS. It is the responsibility of Erasmus+ coordinators to:

- collect the documents from their participants;
- ensure that all documents are completed correctly;
- email the CoS applications in PDF format to Tier5erasmus@britishcouncil.org.

Students

For an HE application, the British Council will need scanned copies of the following documents in PDF or Word format.

- a fully completed [T5 HE Student Application Form](#) (227 KB).
- the confirmation letter from the sending university
- the acceptance letter from the host organisation
- a fully completed [Erasmus+ Learning Agreement for Traineeships](#) (read the [T5 Learning Traineeship Guidance](#) (330 KB) on how to complete this document);

- a copy of the participant's passport
- criminal record check for overseas participant (if applicable). Read [further information](#) on what type of criminal records check is appropriate. The certificate must be translated into English.
- a copy of the employment contract from the host organisation, signed and dated by all parties (if applicable). Please note a contract is only required if the participant is being paid a salary from the host organisation.

Please consult the [T5 HE Guidance](#) (124 KB) which provides **essential details** about the documents listed above and is to be read and used in conjunction with the T5 Application Form.

Do not send the application as web links like Google, RAR or OneDrive attachments as these will be refused.

Further Information on Criminal Record Checks

Please note that criminal record checks for overseas participants are only required for certain jobs or voluntary work, e.g., working with children or in healthcare. We would urge you to read Home Office guidance and consult with your receiving host organisation to confirm if one is required. Examples of job roles which would require evidence of a police check would be a teacher or unsupervised volunteer.

Criminal record check certificates are usually required from your country of residence. However, in some cases a criminal record check certificate may be required from your country of origin. Applications are assessed on a case-by-case basis. The criminal record check must be issued no longer than six months before the application date.

Further Information on the CoS Application Process

It is the responsibility of organisations to make sure they apply in plenty of time and provide all the necessary documents, completed and in the correct format. It can take up to four weeks to receive the CoS number from the date all complete and correct documentation has been forwarded to Tier5erasmus@britishcouncil.org.

The dates of the planned placement must allow sufficient time for a CoS to be issued prior to the start of the placement. This is in accordance with Home Office guidance. We recommend that no travel plans are made, or costs incurred until you have been advised of the decision regarding your CoS and a Visa has been approved by the Home Office.

Please check all documents carefully before applying.

Please note that visas may not allow multi-entry to the UK, for example for overseas holidays. It is recommended that participants travel with documents that show the reason for their stay in the UK and the contact details of their host organisation.

Participants will not need £1270 in savings if their [fully approved \('A-rated'\)](#) sponsor states on their CoS that they will certify their maintenance and that the participant will not claim benefits during their stay in the UK. The British Council is a fully approved category A rated sponsor and will certify maintenance for participants.

Information for Hosting Organisations

Under the UK Visas & Immigration (UKVI) Points Based System, the British Council is acting as licensed sponsor for Erasmus+ participants and must comply with UKVI record keeping duties.

Please read the information contained within [Annex E Host T5 Guidelines and Sponsorship Duties](#) very carefully. It highlights the sponsorship duties that the host company and the British Council must comply with in order to continue to sponsor participants in the Erasmus+ programme.

Once the participant has arrived in the UK, we require you to complete the [T5 UKVI Requirement Reporting Form](#) (68KB) which is a **compulsory UKVI requirement**. Please return this form for each participant to the British Council as soon as they arrive at your organisation.

As sponsors we are also required to inform the UKVI of any changes made to the participant's placement. You must inform the British Council or Ecorys **immediately**, should any of the following occur:

- if your participant fails to turn up on their first day of work or is absent from work for more than 10 consecutive working days without permission;
- if a participant travels in and out of the UK for business or holidays, advise the British Council by email of the dates they leave the UK and then by email again on their return;
- any significant changes to the participant's circumstances e.g., change of job, salary, location etc;
- any change to the duration of the participant's placement e.g. requested extensions;
- if employment is terminated for any other reason;
- any other information that you think may be of importance.

It is vital for you to inform the British Council or Ecorys when the participant has left your employment.

Please note that failure to comply with UKVI record keeping duties can lead to the revoking of a T5 license which will impact on our ability to sponsor Erasmus+ participants in the future.

Information for Participants

Please read the information contained within [Annex E Participant T5 Guidelines and Sponsorship Duties](#) (64 KB) very carefully. It highlights the sponsorship duties that the host company and the British Council must both comply with in order to continue to sponsor participants in the Erasmus+ programme.

[Safety First 2019-2020 – 'a personal safety guide for workers'](#) - (3.62 MB) is a British Council booklet designed to provide useful safety tips and information to help you prepare for your stay and offers practical advice on living and working which you can refer to throughout your placement in the UK.
