I find it online through erasmusintern.org.

### 3) Preparation

*How did you prepare for your traineeship in terms of language, intercultural, professional and organisational aspects? Are there any recommendable links or other helpful tips you would like to share?*

As this internship was in English language and I already have C1 in English language exam IELTS. I already had experience in website development in India so it was also a kind of complementary thing which helped me to perform my tasks in company. Furthermore, our mentor Mr. Sadowski helped me a lot to become proficient in terms of project management and delivering the tasks in a timely manner.

### 4) Accommodation

*How did you find your accommodation? Are there any recommendable links or other helpful tips you would like to share?*

As Barcelona is a metro city and it is very hard to find accommodation there. But I am really thankful to my Indian community who is present everywhere. I met many people of my own community through Facebook. It is very common in Barcelona to share the accommodation. I got a place in a shared apartment with other Indian fellows. I really recommend to arrange the accommodation in advance if you are totally on your own. Otherwise, booking.com and Airbnb is too expensive as Barcelona is flooded with tourists.

### 5) Traineeship

*Please describe the tasks and / or the projects carried out during your traineeship. In which way were you mentored and integrated? How were the working conditions? Did you have especially positive or negative experiences?*

Besides website edition, work was done with the premium tools such as SEMRUSH. The work under the supervision of the Website designer and the blog manager: Georgia Tsernaki.

### 7) Green Travel

No I didn't travel through bus so I didn't use this option

### 8) Country-specific features

*Are there any specific traineeship regulations in the target country that affected you as an Erasmus trainee (e.g. France: housing allowance, convention de stage)? If yes, which ones? Are there any recommendable links or other helpful tips you would like to share?*

No

**9) Visa, residence and work permit (only for international students)**
