Field of study: **M.ScPolymer Material Science**  
Home university: **Martin-Luther-Universität Halle-Wittenberg**  
Nationality: **Indian**  
Duration of traineeship (from ...to...): **01.09.2021 to 30.11.2021**

## TRAINEESHIP INSTITUTION

Country: **Netherlands**  
Name of traineeship institution: **University of Twente**  
Web page: **University of Twente (UT) | Research University in Enschede | The Netherlands (utwente.nl)**  
Address: **Drienerlolaan 5, Enschede, Overijssel 7522 NB**  
Contact person: **Prof. Anke Blume**  
Telephone / E-Mail: **a.blume@utwente.nl**

## EXPERIENCE REPORT (approx. 3 pages + more photos if applicable)

### 1) Traineeship institution

*Please give a brief description of your host traineeship institution.*

Elastomer technology and engineering division of University of Twente is one of the top research group in field of elastomers.

### 2) Searching for a traineeship

*How did you find your traineeship? Are there any recommendable links or other helpful tips you would like to share?*

Linkedin

### 3) Preparation

*How did you prepare for your traineeship in terms of language, intercultural, professional and organisational aspects? Are there any recommendable links or other helpful tips you would like to share?*

-

### 4) Accommodation

*How did you find your accommodation? Are there any recommendable links or other helpful tips you would like to share?*

## 5) Traineeship

*Please describe the tasks and / or the projects carried out during your traineeship. In which way were you mentored and integrated? How were the working conditions? Did you have especially positive or negative experiences?*

I was working on one given task related to research and practice about elastomer compounding ingredients. I was supported by every means from the host department.

## 6) Acquired qualifications

*Which qualifications and skills could you acquire or improve during your traineeship?*

Practice knowledge related to compound development  
Testing of rubber compounds

## 7) Country-specific features

*Are there any specific traineeship regulations in the target country that affected you as an Erasmus trainee (e.g. France: housing allowance, convention de stage? If yes, which ones? Are there any recommendable links or other helpful tips you would like to share?*

No

## 8) Visa, residence and work permit (only for international students)

*Which prearrangements had to be made in terms of visa, residence and work permit? Are there any recommendable links or other helpful tips you would like to share?*

-

## 9) Other

*Is there anything else you want to let other students know?*

Be quick and active while finding an accommodation.

## 10) Conclusion

*What is the conclusion drawn after your traineeship experience abroad?*

My overall experience was really good. I learnt a lot about academic and social life in other country.
