EXPERIENCE REPORT (approx. 3 pages + more photos if applicable)

1) Traineeship institution

Please give a brief description of your host traineeship institution.

Hosting traineeship institution is mainly specialised in IT Security, software development, administration and IT maintenance.

2) Searching for a traineeship

How did you find your traineeship? Are there any recommendable links or other helpful tips you would like to share?

Previously I had contacts with the professor from University of Applied Sciences of Anhalt and therefore he recommended me to take this opportunity.

3) Preparation

How did you prepare for your traineeship in terms of language, intercultural, professional and organisational aspects? Are there any recommendable links or other helpful tips you would like to share?

I was completely prepared to take part in traineeship because main communication language in company was English, I had all documents prepared and quickly integrated into German life and environment, haven't had any issues with searching for apartment, I have found it immediately so I was completely focused on executing tasks due to my professional responsibilities.

4) Accommodation

How did you find your accommodation? Are there any recommendable links or other helpful tips you would like to share?

I would recommend to apply or contact with WGK organisation if other people will have an Traineeship program in the same city as i did, this organisation helped me a lot with searching for apartment .

5) Traineeship

Please describe the tasks and / or the projects carried out during your traineeship. In which way were you mentored and integrated? How were the working conditions? Did you have especially positive or negative experiences?

During the Traineeship i had quite comfy and comfortable conditions of working, so i haven't distracted on any other things but stayed completely focused on my tasks which consisted in software development and setting up software environment on hardware, when i had issues or questions my mentor kindly helped me with everything.

6) Acquired qualifications

Which qualifications and skills could you acquire or improve during your traineeship?

After my internship i improved my skills in working and implementation low-level programming languages techniques in software development , especially with work dedicated to networking (using TCP/UDP protocols).

7) Green Travel

If you travelled sustainably: Which transportation did you choose? Are there any recommendable links or other helpful tips?

When i had a free time from traineeship i traveled a lot by train and have seen a lot famous sightseeings of Germany.

8) Country-specific features

Are there any specific traineeship regulations in the target country that affected you as an Erasmus trainee (e.g. France: housing allowance, convention de stage)? If yes, which ones? Are there any recommendable links or other helpful tips you would like to share?

There were no country-specific features during my traineeship in Germany.

9) Visa, residence and work permit (only for international students)

Which prearrangements had to be made in terms of visa, residence and work permit? Are there any recommendable links or other helpful tips you would like to share?

I had no issues with visa because i was already staying in another European Union country with needed visa, all i needed it's insurance in Germany , but also i had another student european insurance for taking part in traineeship.

10) Other

Is there anything else you want to let other students know?

11) Conclusion

What is the conclusion drawn after your traineeship experience abroad?

My traineeship was completed successfully i improved my hard-skills in area of study and believe it will help me in my professional carrer also i had encountered a lot of interesting and professionals which also were my colleagues so i'm quite happy that i have taken part in such traineeship
