Please give a brief description of your host traineeship institution.

IBM is American multinational technology corporation. IBM produces and sells computer hardware, middleware and software, and provides hosting and consulting services in areas ranging from mainframe computers to nanotechnology.

2) Searching for a traineeship

How did you find your traineeship? Are there any recommendable links or other helpful tips you would like to share?

Directly at organisation's website

3) Preparation

How did you prepare for your traineeship in terms of language, intercultural, professional and organisational aspects? Are there any recommendable links or other helpful tips you would like to share?

It was in English and my English language is at professional level therefore no additional preparation is required. I have done another internship in Czech Republic before so adaptation process was easier for me.

4) Accommodation

How did you find your accommodation? Are there any recommendable links or other helpful tips you would like to share?

My friend who studies there helped me out.

5) Traineeship

Please describe the tasks and / or the projects carried out during your traineeship. In which way were you mentored and integrated? How were the working conditions? Did you have especially positive or negative experiences?

I was a data analyst during my internship for abnormality detection. I was detecting anomalies at dataset which was provided by my manager. I received great experience during analysis and find out my weaknesses and strength.

6) Acquired qualifications

Which qualifications and skills could you acquire or improve during your traineeship?

My software, communication and researching skills.

7) Country-specific features

Are there any specific traineeship regulations in the target country that affected you as an Erasmus trainee (e.g. France: housing allowance, convention de stage? If yes, which ones? Are there any recommendable links or other helpful tips you would like to share?

No

8) Visa, residence and work permit (only for international students)

Which prearrangements had to be made in terms of visa, residence and work permit? Are there any recommendable links or other helpful tips you would like to share?

My current residence permit allowed me for my short period of stay.

9) Other

Is there anything else you want to let other students know?

No

10) Conclusion

What is the conclusion drawn after your traineeship experience abroad?

Being an IBMer is an honour and proud for me. I highly recommend others to work hard, take an action for your dream career and company. "No pain, no gain"
